

## Important Update: Introducing Our New Membership Experience

We are thrilled to announce that we are evolving! To better serve our community and provide more tailored value, we are offering to a new tiered membership model, effective from June, 2026.

We've designed these new options to provide more flexibility, exclusive perks, and better access to the services you love most.

### What's New?

❖ *We are introducing 3 types of new membership:*

#### 1. Fellow of the Calcutta Mathematical Society:

Any Life members may nominate name for Fellow(Honorary Member) of the CMS in Mathematical Sciences.It should be proposed by any Life member and seconded by another life member, with signatures. Nomination of the candidate with a Bio – data and signature to be sent by a closed envelop to the Secretary. Fellow will be life member if he or she is not a member. Fellow is entitled to attend the conference without Registration fees organized by CMS only.

#### 2. Eminent Life Members (For 10 Years Only):

For EminentLife Members candidate will pay Rs. 50,000/- &applicant will be from life members of CMS. He or she will applywith a signature of a proposer and seconder both of them will be life members of the society. It will be valid for10years and each year one conference will be free and throughout ten years10 publications will be 50% free for APC if he or she will be corresponding author.The publication rule will be as per CMS rule.

#### 3. Distinguished Life Members (For 3 Years Only):

For Distinguished Life Members candidate will pay Rs. 15,000/- & applicant will be from life members of CMS. He or she will apply with a signature of a proposer and seconder both of them will be life members of the society. It will be valid for 3 years and each year one conference will be free and throughout three years 3 publications will be 50% free for APC if he or she will be corresponding author. The publication rule will be as per CMS rule.
